FRESH NEWS FROM THE Paddock

100% HAPPY FOR OPEN DAY

🌸 Our Everlasting Open Day had more than 350 people visiting the paddock to wander, pick bunches, take photos, and share in the joy these flowers bring. Despite the wild weather, the smiles were endless and the paddock was filled with colour, laughter, and community spirit 🌸

Fellow MS friend

Today I met Sandra and Cam — Cam also lives with MS (Multiple Sclerosis), so we well understood each other. 💖 We both know how challenging it can be walking across an uneven paddock! 🌸

Long lost friends friends

This is Danne and Matt! They came down to visit the farm and the open day, staying the night in our farmhouse and helping on the day. Such wonderful people, a pleasure to be around. I knew Dani from 38 Years ago, when we both went to Penrhos. Lovely to catch up again!.

Business to Business

How wonderful meeting Andrea from [Kapunda home hardware](#)! She bought me a personalised Fridgy coffee mug! So great meeting the people behind the business you sell to!

Earrings with Everlasting meaning

Incredible earrings. They were made by a jeweller, exact replica of the real thing!! ... She was collecting flowers and was very shy to have her photo taken 🥰

LOVE the socks!!

There is Karen and Stacey having a day out from Perth! Don't you love the flower socks...very fitting!!
'Amazing day, so glad we made the 7 hour trip from Kwinana. Very special and worth every driving minute!'

Stars of the Day

The incredible cakes and slices were made by the Kojonup Women's Club. Much appreciated and needed when the day was cold and miserable. Lovely to have a warm cup of tea reduce the chill!

\$2000 donated to replace this fire station shed!!

This is the Moberly Fire Brigade shed, used for storing vital equipment to help fight a fire. Unfortunately over the years our fire unit has outgrown the shed hence why we needed a new one! This one is looking very very old!!'

If you had a fantastic time at our open day, or have had wonderful success with our Everlastings and our service, we would really appreciate a Google review.
